MAIZE**

TESTED, TRIED AND TRUSTED.

Corson Maize sources hybrids from more maize breeding companies than any other New Zealand seed company. We test our hybrids in New Zealand conditions before taking them to market. Our portfolio of hybrids has been tried on-farm over many seasons so that you know they can be trusted in your farming operation.

ORDER BEFORE 31 JULY FOR EXTRA BENEFITS.

But be quick, the offer only applies while seed stocks last and those that get in first will ensure they receive their hybrid of choice.

ORDER EARLY AND RECEIVE:

**Preferential
hybrid choice***

**100%
replant cover***

**Deferred
payment options****
