EARLY ORDER OFFER 100% REPLANT POLICY

Corson Maize will provide replacement seed for any failed maize crop (which has been planted in accordance with specifications and usual practices) free of charge if within two months of planting the crop fails and needs to be replanted, as follows:

1. Replacement seed will be Corson Maize seed but may not be the hybrid originally planted. If a hybrid is out of stock the next best alternative will be provided.
2. Replacement is at the complete discretion of Corson Maize on an individual crop basis. The affected area will need to be assessed and replant approved by a Corson Maize Representative.
3. The 100% replant policy applies to 2020 Early Order Offer sales only. Replacement seed must be planted in 2020.
4. The 100% replant policy does not apply to seed treated by a third party.
5. Includes seed treatment as per original order.
